

Just some of the environmental initiatives CITSA has delivered...

- CITSA Environmental Policy was launched in 2000 with the endorsement for the ACT Greens
 - Campus Waste Audit in conjunction with Visy
 - Annual support for World Environment Day
 - Clean Up Australia Day sponsor
 - Ride to Work Day Co-ordinator
 - EnviroLove program to recycle spent coffee grinds and organic waste
 - The LESS Initiative, free energy saving light bulbs and water saving shower heads were distributed to students throughout this campaign
 - Installed Envirobank Reverse Vending machines on four campuses (recycle = reward)
 - Encouraged CIT installation of recycling bins on all campuses
 - Sustainability Course employee sponsorship
 - TAG Flag (environmental tendering process for suppliers)
 - ONA Coffee Project Origin (direct trade with farmers)
- 

Organised the recycling of:

- phones
- clothing
- batteries
- cooking oil
- laptops
- food scraps to campus chooks
- office paper
- printer cartridges
- all products from food outlets (Visy closed loop recycling)
- bikes
